 **LUISS BUSINESS  
SCHOOL**

The **Level I Master's in Five Star Hotel Management** has been named one of the best Master's qualifications in the world in the Hospitality Management sector by Eduniversal. Its 11 month-long educational pathway is structured as follows:

1. Five months of classroom teaching at Forte Village Resort's Hotel Business School;
2. A six-month internship at 5-star hotels and resorts.

The highly practical lessons are taught by industry professionals. Teaching is divided into two main macro areas: General Management (Finance, Company structure, Management Accounting and control, Uniform System of Account, Business Strategy...) and Hospitality Management (F&B, Room Division, general and hotel Sales & Marketing, Housekeeping, SPA Management, Human Resources Management, MICE).

Lessons are held exclusively in English and backed up with a series of educational activities, including:

- Outdoor Orienteering;
- Cornell University training modules:
  - CHES Business Game – hotel management simulation software;
  - CRASE Business Game – F&B management simulation;
- Study tour: Visit to the top tourism hospitality fairs and key hospitality venues worldwide
- The International Butler Academy Seminar, focusing on Grooming and Mise en place;
- Cross-Training on the job: students have the opportunity to gain first-hand experience over a ten-day period before they embark on their internship by taking part in F&B, Kitchen, Room Division, Housekeeping and Sport & Leisure activities at Forte Village Resort.

**The employment rate for master's graduates in previous years is around 99%.** The positions secured by Alumni reflect the important personal development pathway which characterises the careers of staff working in the hospitality sector.

The admission requirements for the Master's are as follows:

- A 1st level degree
- Excellent knowledge of English.
- Knowledge of the main computer programmes.
- Willingness to relocate within Italy and to other countries during the internship.

The selection process involves:

- CV evaluation;
- Testing;
- Individual interview;
- Interview in English.

The next Master's course (10th edition) will begin in November 2017.

The entire five-month teaching stage takes place at Forte Village Resort. Classrooms at the Hotel Business School have a full range of facilities and feature high-tech equipment.

The course fees are €18,900 (payable in 3 instalments). At an additional cost of €4,000 to the course fees, students can benefit from the School's innovative "Campus Five Stars" scheme, giving them access to a range of exclusive services throughout the five-month teaching phase. The campus includes:

- Board and lodging at Forte Village, in rooms located just a short walk away from the Hotel Business School and staff restaurant.
- Access to the Resort's sports facilities and services during the teaching phase (gym, tennis courts, football/five-a-side football pitches, etc.).
- Secure parking at the Resort.
- Evening entertainment facility.
- Wi-Fi
- Ongoing opportunities for interaction with Forte Village Management during the seasonal closure and throughout the season – a unique chance to experience every aspect of the Resort by living on-site!
